Work Experience

Software Developer Intern
Jun 2023 - present

FANTASY ELECTIONS

- Collaborated with a cross-functional team to develop a web application, gaining hands-on experience in both frontend and backend development.
- Implemented responsive and user-friendly frontend components using TypeScript and Tailwind CSS, ensuring a seamless user experience across different devices and browsers and utilized modern frontend frameworks such as React.js to build dynamic and interactive interfaces, enhancing overall application functionality.
- Actively participated in backend development tasks, including database design, API integration, and server-side scripting and conducted thorough testing and debugging to ensure the application's functionality, usability, and security.
- Demonstrated strong problem-solving skills and adaptability in a fast-paced, agile development environment and successfully completed the assigned work, delivering results within specified timelines and meeting project requirements.

Web Development Intern
Jun 2023 - present

CODECLAUSE

- Developed multiple web projects during the internship, demonstrating strong proficiency in front-end and back-end development.
- Utilized HTML, CSS, JavaScript, and relevant frameworks to implement interactive features and enhance the overall user experience.
- Demonstrated strong problem-solving skills, resolving technical issues and proposing innovative solutions to overcome challenges and worked collaboratively in an agile development environment, adhering to project timelines and delivering quality code within deadlines.

Achievements

2023	**Contributor**,	Girls Script Summer Of Code
2023	**Contributor**,	Social Summer Of Code
2023	**Microsoft Learnt Student Ambassador**,	Microsoft
2022	**Contributor**,	Hacktoberfest
2020	**Rank 1733**,	Manipal Entrance Test

Personal Projects

E-com website

ReactJs   *Dec. 2022*
